SUNROOF LYRICS

La da la da da, la da da da
La da la da di da da, la da da da da
La da la da da, la da da
La da la da di da

I got my head out the sunroof
I'm blasting our favorite tunes
I only got one thing on my mind
You got me stuck on the thought of you
You're making me feel brand new
You're more than the sunshine in my eyes

You got those pretty eyes in your head, you know it
You got me dancing in my bed so let me show it
You are exactly what I want, kinda cool and kinda not
Wanna give myself to you

Yeah, we're driving down the freeway at night
I only got one thing in the back of my mind (you got me stuck on the thought of you)
I'm feeling like this might be my time to shine
With you, with you, with you

High Hopes Lyrics

Had to have high, high hopes for a living
Shooting for the stars when I couldn't make a killing
Didn't have a dime but I always had a vision
Always had high, high hopes
Had to have high, high hopes for a living
Didn't know how but I always had a feeling
I was gonna be that one in a million
Always had high, high hopes

Mama said
Fulfill the prophecy
Be something greater
Go make a legacy
Manifest destiny
Back in the days
We wanted everything, wanted everything
Mama said
Burn your biographies
Rewrite your history
Light up your wildest dreams
Museum victories, everyday
We wanted everything, wanted everything

Mama said don't give up, it's a little complicated
All tied up, no more love and I'd hate to see you waiting

SAVE YOUR TEARS LYRICS

I saw you dancing in a crowded room
You look so happy when I'm not with you
But then you saw me, caught you by surprise
A single teardrop falling from your eye

I don't know why I run away
I'll make you cry when I run away

You could've asked me why I broke your heart
You could've told me that you fell apart
But you walked past me like I wasn't there
And just pretended like you didn't care

I don't know why I run away
I'll make you cry when I run away

Take me back 'cause I wanna stay
Save your tears for another
Save your tears for another day
Save your tears for another day
